

## FUNCTIONS COMMITTEE

***Mandy Gordon***

### *Constitution*

The Functions Committee is chaired by Mandy Gordon, a partner of Adams & Adams. The Committee meets on an ad hoc basis and has 7 members.

### *Purpose Statement*

The purpose of the committee is to arrange and co-ordinate events for the SAIPL in an effort to bring together its members in more social settings, to allow interactions between them in less formal environments. We aim to get members together to forge better relationships between them and the various firms and to ensure that opportunities to do so occur at regular intervals throughout the year. These social events encourage camaraderie amongst the members and hopefully help to build a more united SAIPL.

### *Goals*

For 2013 we have planned the annual dinner, ladies lunch and a golf day. We are planning a bowls day, due to the success of last year. The majority of the functions will be held in Pretoria this year, given that they were held in Johannesburg last year, but are hopeful that the members in Johannesburg will nevertheless attend the various events. We are hoping for a large sponsorship for the golf day from Investec again!
