

INSTITUTE/CIPC IT LIAISON COMMITTEE

Marco van der Merwe

Constitution

The IT liaison committee is chaired by Marco van der Merwe a Partner at Spoor and Fisher. The committee members are from Adams & Adams, DM Kisch and Spoor & Fisher member firms.

Purpose statement

As a sub-committee of the Institute Liaison Committee, our purpose is to liaise with officials at CIPC in connection with existing and future IT systems and especially to bring problems, such as inaccuracies and "down time" to the attention of the officials, to find solutions and to inform members of thereof. We also meet separately with CIPC on an ad hoc basis to assist with new IT projects such as e-filing and the e-Journal.

Goals

To maintain a good working relationship with CIPC and DTI IT officials and to bring errors on the system to their attention and to assist in finding solutions. Our specific goal for 2013 is to contribute to the planning and implementation of CIPC's proposed e-filing project.
